ALLERGEN STATEMENT

Impact Confections recognizes as allergen the nine (9) primary foods items in the US associated with allergic reaction, as well as sensitive ingredients.

The allergens below will be managed in the manufacturing environment and clearly labeled on product packaging.

- a) Dairy (casein, whey, butter, custard, nougat, etc.)
- b) Eggs (egg product, albumin)
- c) Peanuts
- d) Tree Nuts (almonds, cashews, Brazil nuts, walnuts, pistachio, macadamia, pecans, hazelnuts/Filberts, pine nuts)
- e) Soybeans (soy products)
- f) Wheat (gluten)
- g) Fish (cod, trout)
- h) Crustaceans (crab, shrimp, lobster, crawfish)
- i) Sesame (seeds, oils, derivatives)

Our Allergen control policy addresses at least the next points:

- a) Incoming ingredients evaluation and segregation if it contains allergens.
- b) Scheduling of allergen Production.
- c) Verification of sanitation.
- d) Labeling of finished products.

Impact Confections has designated bagger 4 and 6 TB box erectors for pre-packaged Ooze Chews that are placed in theater boxes. Baggers not used.

Please refer to product packaging for all relevant allergen declarations.
